Outcome of the conference participation

Description of the outcome of the conference presentation, including contacts made and potential for future collaborations.

The outcome of the conference presentation included the workshop which was realized on 9th April 2022 year at 15:00, with a duration of 45 minutes and 15 minutes for discussion. Many colleagues from the audience (researchers from sports science, Ph.D. students, and other participants such as representatives of the research community, policymakers, civil society, and business organizations and media representatives) were interested in COST potential, COST action 18236 (SHIINE) and established Western Balkan Sports Innovation Lab (WBSI lab). Therefore, it was a great opportunity that many relevant stakeholders were informed about the intention of CA 18236 about developing the Pan-European Public-Sector Innovation Lab and integrate education program (s) into the fabric of the lab's operations from one side, and the future intentions of WBSI lab from another side.
