PROBLEM AND SOLUTION

5 W'S AND AN H

NEXT STEPS

"None of us is as smart as all of us." —Ken Blanchard

Hello!

This is the team behind the **'Rise and Shine'** project,
the project that will improve the personal and
professional life of the students through Europe

EMILY

NIKOLA

STEFAN

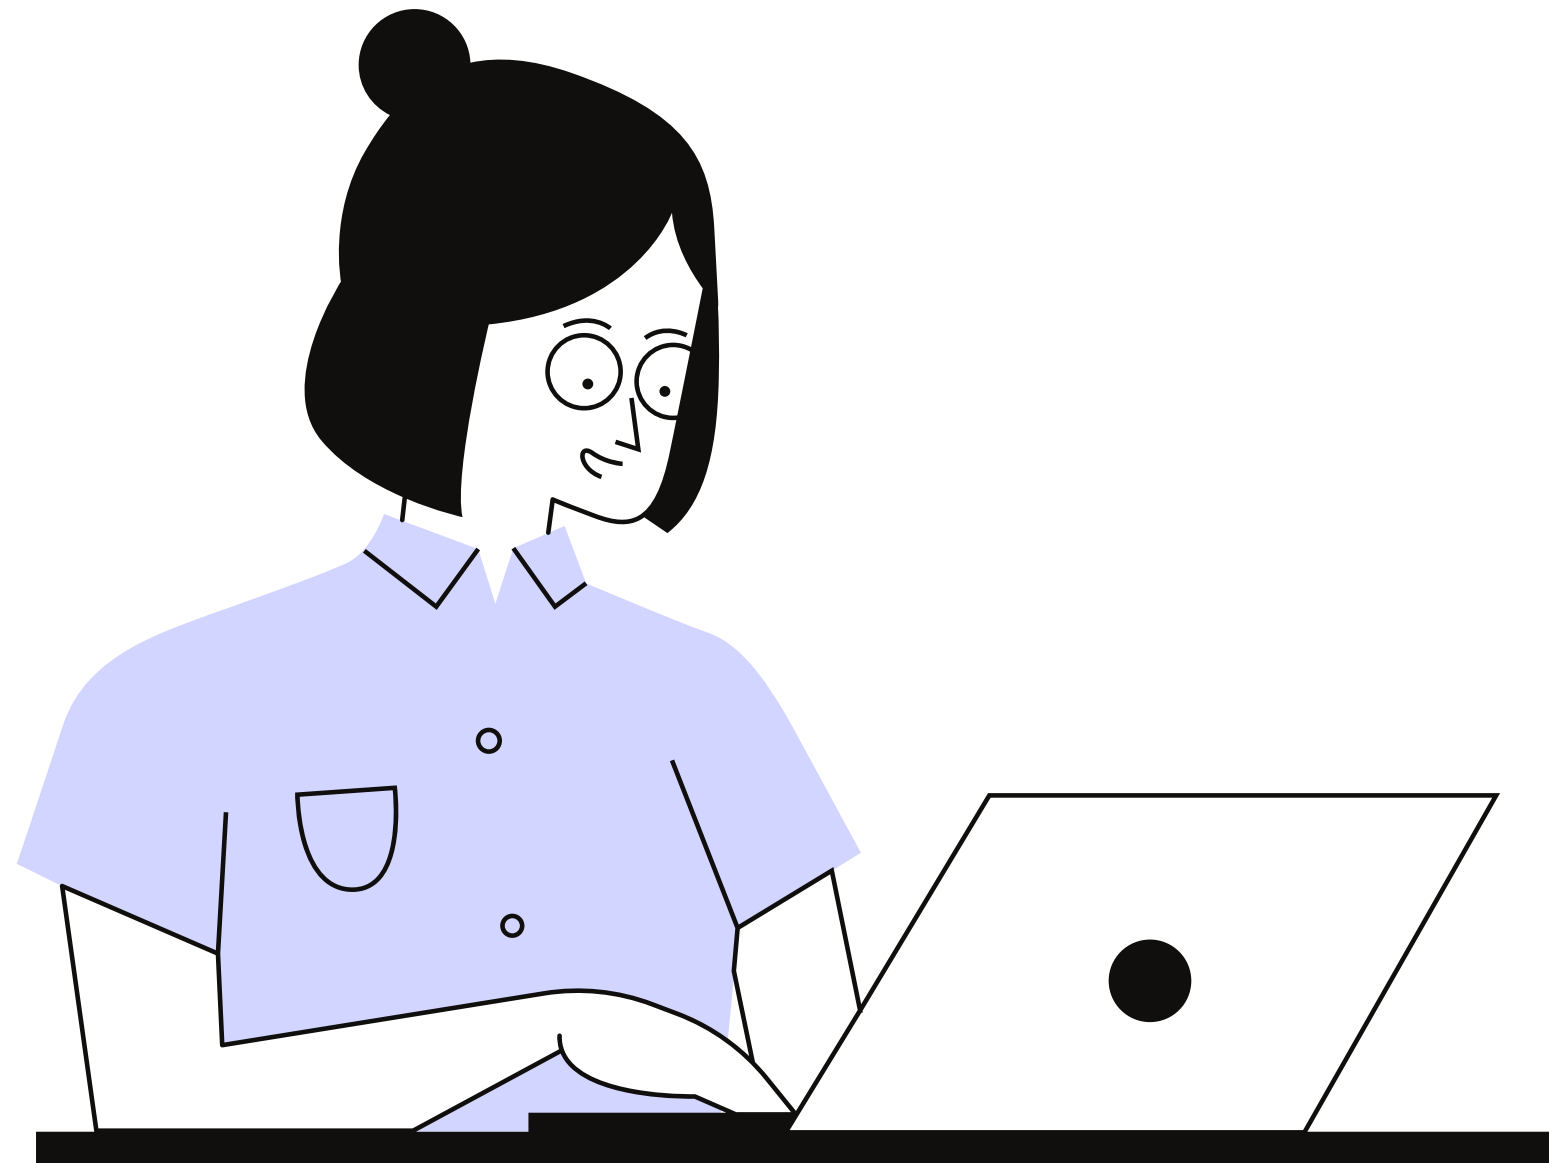

TIANA

FATIH

Solutionize the problem

Problem: Students lack easy and interconnected access to personal and professional growth.

Students don't have the opportunity to develop in ways that would help them benefit society.

Solution: A web platform that provides open access to all the essential resources for personal and professional growth.

SITEMAP:

PROJECTS

Offers for participation in different projects like **COST**, **NGOs**, etc.

EXCHANGES

Find the perfect exchange to develop your skills. See more about **Erasmus +**, **CEEPUS**, etc.

Here you can find **discounts**, **partnership organizations**, etc.

NETWORKING

Connect with people with similar interests. Here you can **share your ideas**, **chat about projects**, or **have fun**.

EVENTS

Be in the middle of the actions. Find more about events, **open discussions**, **interactive workshops**, **cultural events**...

RESOURCES

Find support when in need from **mental health professional**, **FREE educational material**, etc.

JOBS

Enhance your knowledge with practical experience. Find offers for **internships** and different kinds of **jobs**, and **volunteering** experiences...

MENTORING

Need a mentor? You can contact **professionals from the field**, or **colleague student** who is ready to help you on your personal journey, including: **leadership**, **life-coaching**, **marketing**, **public speaking**, etc.

WHAT WE DO?

We are gathering different resources with the goal of gaining specific knowledge, enhancing your engagement, interacting with like-minded individuals, and discovering many more exciting possibilities. **From students, to students.**

WHO WE ARE?

We are a vibrant student platform passionately dedicated to empowering students to expand their personal and professional. Our mission is to equip students with the essential tools and insights needed to thrive in society and tackle real-life, day-to-day challenges. **Run by students, for students.**

RISE & SHINE

Web platform to solve them all

THE SOCIAL BUSINESS MODEL CANVAS

BASED ON FRAMEWORK OF YOUNGFOUNDATION AND BUSINESS MODEL CANVAS

Social venture:

Next Steps

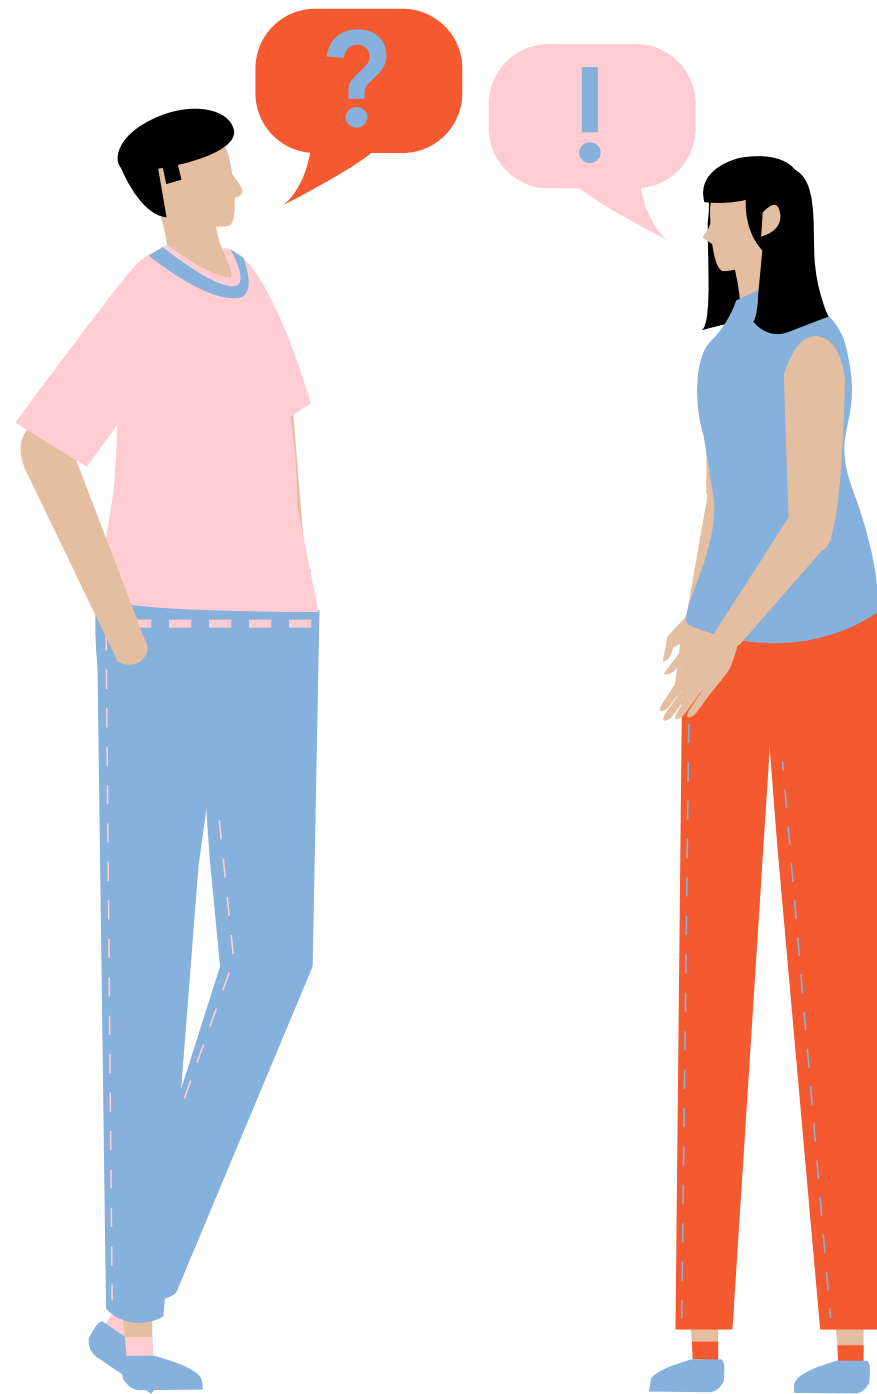

These are the next steps which are required in order for this project to be successful:

ACTION ITEM	POINT PERSON
Find funding for initial steps to build up the organization	Stefan
Contact local and regional student organizations	Tiana
Contact Universities	Fatih
Find NGOs and organizations for partnerships interested in contributing to this project	Nikola
Build up a structure for the roles, steering board, ethics committee and financial structure	Emily

Thank you!

**Let's strive together,
for a brighter future!**
